Life Drawing

"Great fun, very relaxed and everyone was there just to have a good time. Went with a group of Mums and daughters and we all walked away with decent pictures that we could be proud of! Highly recommended."

### WHY CHOOSE US FOR YOUR HEN'S?

Don't let your hens be a cliché: go for an event with your gal pals that's creative, fun, memorable, and guaranteed to be cringe-factor free. That said, if you're interested in painting something a bit cheeky or involving the male form, do let us know: art and an appreciation of the body go way back!

### YOU'RE GONNA BE AMAZED BY WHAT YOU CAN DO!

Our ethos at Paint for Fun is "art made easy". We're all about a relaxed class environment where you can eat, drink and chat, while letting your inner artist unfurl. You'll learn to paint alongside a professional artist, and leave with an artwork you'll love (we bet you'll be so chuffed you'll end up showing all of your mates).
